SIBU DESIGN is pleased to present its first **STONE | COLLECTION**, which looks like stone, but isn't, or perhaps it is?

**High-gloss with SIBUGLAS:**

- » Exclusive patterning with the appearance of stone.
- » Wonderful design possibilities in diverse areas
- » Authentic marble and stone designs may be easily mistaken for the genuine article

- » An extensive colour range from black and white marble to various brown and grey tones
- » Easy processing as usual (as with standard PMMA sheets)
- » Abrasion resistant AR+ surfaces allowing use in high traffic areas
- » The sheets are easy to process without danger of fracture

- » Large, stylish marble surfaces can easily be created
- » SG MARBLE designs can be backlit

**Matt with DECO LINE:**

- » The main advantage of these products lies in their haptics, which mirror the character of stone with absolute authenticity.

**NA**  
non-adhesive

**SA**  
strongly adhesive

**PR+\***  
digital/screen printing possible

Prior to printing a corona or plasma treatment has to be carried out.  
By request available in pre-treated version.

**■■■■**  
wet room suitability

**■■■□**  
limited suitability for wet rooms

**AR+**  
scratch-resistant
